

STEWARTS CAR SALES

USED VEHICLE WARRANTY

VEHICLE:
REG. NO:

PURCHASE DATE:
CUSTOMER:

MILEAGE:

The above vehicle is warranted for a period of six months or 6000 miles against the failure of any of the following items.

ENGINE

Rocker assembly including hydraulic rockers, inlet and exhaust valves springs and guides, cylinder head, cylinder head gasket, push rods, camshaft and followers, timing gears and chains, oil pump, pistons and rings, cylinder bores, con rods, gudgeon pins and bearings, crankshaft and bearings, inlet manifold, flywheel and ring gear, timing belt, idler pulleys and tensioner.

GEARBOX

Failure of any of the following internal mechanical parts: Gears, synchromesh hubs, selectors, shafts, bearings and bushes, transfer gears.

DIFFERENTIAL

Crown wheel and pinion, gears, shafts, bearings and bushes, thrust washers and spacers.

CLUTCH

Mechanical breakdown of the centre plate, pressure plate and release bearing. (Excluding general wear and tear).

FRONT WHEEL DRIVE

All internal drive unit components including crown wheel and pinion, differential unit bushes and bearings, plus external drive shafts, couplings, hubs and hub bearings and drive flange.

REAR AXLE

Internal parts including crown wheel and pinion, differential unit, shafts, bearings, oil seal and rear hub.

REAR WHEEL DRIVE

Half shafts, wheel bearings, rear wheel external drive shafts including constant velocity joints, universal joints and couplings.

PROPSHAFT

Failure of the propshaft including universal joints, couplings and centre bearings.

COOLING SYSTEM

Water pump, viscous fan coupling, thermostat, thermostat housing.

FUEL SYSTEM

Carburettor, mechanical or electric fuel pump, injection system.

SUSPENSION

Upper and lower wishbones with associated ball joints and bushes, springs and wheel bearings.

STEERING

Steering rack and pinion, steering box, idler box, power steering rack and pump.

BRAKES

Master cylinder, brake servo unit, diesel vacuum pump, disc and calipers, drums and wheel cylinders, and all ABS components. Frictional material is not covered where condition is related to wear and tear.

ELECTRICAL SYSTEM

Starter motor and solenoid, alternator, coil, regulator, indicator relay, windscreen wiper and washer motors.

It is a condition of the warranty that the vehicle is returned to us for any repairs

May we thank you for purchasing the above vehicle from ourselves and we hope it will give you many trouble free motoring miles. However should you find yourself dissatisfied in any way during the warranty period please contact us immediately and we will address the problem. As a customer you are both our most important asset and most powerful advert, only prompt and efficient service will ensure your return.
